The Holstein Betterment Alliance (HBA) is hosting a community event to celebrate our agricultural heritage with an outdoor meal and beverages. Town and country friends will gather at tables on East Second Street, featuring fresh flowers, charming lighting, and live music from "Down to 2." The evening will conclude with a classic country auction, promising a wonderful night for all!

This year, we offer 4 reserved tables at the venue's center for \$1,000, providing a great view of the band and auction. Gather a group of 8 friends or relatives and request a reserved farm table through any ticket seller.

Plans for a beautiful Town Square area located on 2nd Street on the empty lot east of Cosgrove Law Firm will be unveiled. "Our strength grows through community" and we ask for your support of HBA and projects that will continue to make Holstein a great place to live, work, and play!

Mometrix eLibrary offers digital access to study materials for over 1,500 standardized exams. Available now for public & academic libraries.

There will be a brief interruption of Interlibrary loan service as we transition from one carrier service to a new carrier service. This means a delay in the arrival of requested materials between July 23rd to August 4th, 2025. As of this writing, we are uncertain of the timetable for delivery with the new service. We ask for patience as we learn more about these changes. Thank you.
