

# FARM TO TABLE

The Holstein Betterment Alliance (HBA) is hosting a community event to celebrate our agricultural heritage with an outdoor meal and beverages. Town and country friends will gather at tables on East Second Street, featuring fresh flowers, charming lighting, and live music from "Down to 2." The evening will conclude with a classic country auction, promising a wonderful night for all!

This year, we offer 4 reserved tables at the venue's center for \$1,000, providing a great view of the band and auction. Gather a group of 8 friends or relatives and request a reserved farm table through any ticket seller.
