## CELEBRATING 75 YEARS

HONORING A LEGACY OF COMMUNITY, KNOWLEDGE, AND GROWTH

This year, Stubbs Memorial Library celebrates 75 years of service to the Holstein community, evolving from a small resource into a vital hub for readers and learners since its founding in 1950. With a mission to provide accessible knowledge, the library has expanded its offerings, including books, digital services, and educational programs, thanks to dedicated staff and community support.

The library honors its namesake's legacy of generosity and has undergone upgrades, such as modernizing the Christina Buettner Room. It also preserves local history by digitizing newspapers in collaboration with Advantage Archives.

Circulating over 22,000 items annually, the library boasts a collection of over 20,000 materials for all ages.

### **You're Invited: 75th Anniversary Ice Cream Social**

To celebrate this milestone, we invite you to a community Ice Cream Social on **August 15, 2025 from 3:00 PM to 4:30 PM** in the Christina Buettner Room. Enjoy and explore a special historical display featuring photographs and memorabilia from the library's 75-year journey. Whether you're a lifelong patron or a first-time visitor, it's a great time to experience the updated meeting room and share in the celebration.

Looking forward, Stubbs Memorial Library remains dedicated to growth and service. Thank you to all supporters as it embarks on its next chapter!
