# WELCOMES FALL

## DID YOU KNOW?

### Yard Waste & Leaf Disposal

Did you know Holstein provides a dedicated yard waste site for residents? You can drop off leaves, grass clippings, and small branches at the lagoon disposal site. Please remember — no trash, cans, bottles, or household waste is allowed. This helps keep the site safe, clean, and available for everyone.

### Lawn & Property Care Rules

City ordinance requires that grass and weeds be kept under 9 inches on all properties, occupied or vacant. If your grass exceeds that height, the city may mow it for you — but at a cost of \$50/hour plus a \$75 surcharge. Regular mowing keeps Holstein's neighborhoods looking their best.

### Utility Billing Tip

Did you know you can sign up for automatic payments for water, sewer, and garbage bills? It's a simple way to avoid late fees and keep your account current.

## HOLSTEIN'S FARM-TO-TABLE DINNER: A NIGHT TO REMEMBER

On a perfect summer evening, 2nd Street came alive with long tables, quilt-covered hay bales, vintage farm vehicles, and the smell of steak sizzling on the grill. Guests enjoyed a delicious meal, live music from Down to 2, and the simple joy of gathering with neighbors. A big thank you to the Holstein Betterment Alliance and the many volunteers, sponsors, and community members who made this third annual celebration possible. Events like this remind us why Holstein is such a special place to call home.

### *The Next Generation Leahy*

Saturday, September 27<sup>th</sup> at 7:00 PM

As with all forces of nature, the music and energy created by The Next Generation Leahy simply cannot be contained; the drive to create music is powerful within each of the Leahy children. Belying their young ages, these siblings are all accomplished multi-instrumentalists whose live performances are filled with high-energy, mesmerizing music that goes hand-in-hand with the famous Leahy name. Featuring fiddle, cello, French accordion, vocals, piano, guitar, bass, and, of course, the iconic Leahy-style French-Canadian step-dancing, this group lights up every stage they perform on, and inspire future generations of performers to pursue their dreams!

## HARVEST SEASON SAFETY REMINDER

With harvest in full swing, drivers are reminded to be patient and alert for slow-moving farm equipment on the road. Farmers are encouraged to ensure all lighting and signage is visible. Let's work together to keep our roads safe this fall.
